## **MANTSINEN MOVES TO LATIN AMERICA**

Material Handling Machines-unit of Mantsinen Group extends sales organization to Latin America and opens up a sales office in São Paulo, Brazil.

Mr. Samuli Seilonen has been appointed Regional Sales Director, Latin America, as of October 1, 2014. Mr. Seilonen is responsible for developing Mantsinen sales network in Latin American countries and he will be based in São Paulo, Brazil. He will report to Sales and Marketing Director.

Mr. Seilonen joined Mantsinen after a long career at Finpro, where he has been responsible for consulting Finnish companies in establishing business and distribution networks in Brazil. He has been working with customers from several different industries, from maritime to forestry and several others.

Mantsinen is in the process of establishing a strong distribution network in Latin America. Mantsinen recently has taken the first, but important, step by agreeing a sales partnership in Brazil with JT & Partners. We look forward to publish more news shortly!

We welcome Samuli to our growing Mantsinen team!
